

Attention applicants:  
Are you on a 504 Plan?  
Would you like to request accommodations for a  
disability?

If you have a disability and would like to learn about what types of accommodations and services are available at WCSU, please attend one of our upcoming workshops at AccessAbility Services. As not all disability service offices are the same, students with disabilities are strongly encouraged to attend one of these upcoming workshops to determine if the services and accommodations at WCSU meet your needs.

Dates:

January 14<sup>th</sup>, 4-5pm

February 24, 4-5 pm

March 22, 4-5pm

Location: Student Center, Room 207

**To RSVP for a workshop, please contact Laurel Obstgarten at 203-837-8225 or [obstgartenl@wcsu.edu](mailto:obstgartenl@wcsu.edu). If you need accommodations for the workshop, please let us know two weeks in advance of your preferred workshop.**

Workshops will cover:

- The differences between accommodations in high school and college
- An overview of students with disabilities at WCSU
- What types of classroom, housing and campus accommodations are available
- What types of services we offer
- Assistive technology at WCSU
- The procedures and policies for requesting accommodations and services
- Preparing for college
- Tips for parents in helping your students transition to college

Due to our large volume, AccessAbility Services is not able to meet individually with prospective students until they have been accepted to the University. To learn if Westconn is right for you, please call today to reserve space at one of these workshops.
