Coming Soon to a Mailbox Near You! A survey to help drive the future of LMS systems in the CSCU environment. Is it Blackboard? Or a Moodle? It's your chance to give input!

Student News and Events:

New Student Resources Available! The Young Library has purchased PrepStep by EBSCO Learning Express, a learning resource platform for students who are preparing for exams like the LSAT and GMAT exams, careers in homeland security or law enforcement. Many resources are available. Please share with your students.

Wed., Nov. 14th

Lecture "Privacy, Security and Safety in a Social Media World" - by Facebook's Chris Kelly. As the first chief privacy officer, general counsel and head of global public policy for Facebook, Kelly helped the company grow from tis college roots to the ubiquitous communications medium that it is today.

The banner is divided into two main sections. The top section is for the 'WINTER INTERSESSION 2019' course, 'JLA 347-81, Justice Issues in Domestic & International Terrorism, CRN 20052'. It specifies 'ONLINE' with a date range of '12/17/18 to 1/12/19' and includes a row of colorful cartoon avatars. Below this are two data visualizations: a bar chart on the left titled 'Terror Plots Increasing' showing a steady rise in plots from 2000 to 2017, and a line graph on the right showing 'US Deaths from Terrorism' from 2000 to 2017, with a legend for 'Domestic Terrorism', 'International Terrorism', and 'Total'. The bottom section of the banner features the text 'COMING MID NOV.' next to two pencils, followed by 'CSCU LEARNING MANAGEMENT SYSTEM SURVEY' in large, bold, yellow and orange letters.
