PARKING FOR PEOPLE WITH DISABILITIES: While this parking is closer to the stadium than general parking, it is not immediately adjacent to the Commencement field. No transportation will be provided from the parking area to the Commencement field so it is important that the individual have a wheelchair or be able to walk this distance. We do not provide wheelchairs.

Persons with a state handicap permit or requiring handicapped or easily accessible parking need to fill out the Handicapped parking request form for this designated area.

All written requests for special parking must be received no later than Friday, May 2, 2014.

Please note that the numbers of these passes are limited and will be issued on a first-come, first-served basis.
