The Connecticut Association of Professional Financial Aid Administrators (CAPFAA) is pleased to announce the CAPFAA Scholarship for the 2010-2011 academic year. This scholarship will be awarded to a total of 5 students for $1,000 each and is NOT renewable.

CAPFAA was founded in 1969 with the purpose of promoting professional preparation and cooperation between Connecticut college and university student financial aid administrators as well as others in educational institutions, government agencies, foundations, and private community organizations concerned with the support and administration of student financial aid. We feel this scholarship is an excellent way to promote our mission of effectively serving the interest and needs of students in their pursuit of a higher education.
