WESTERN CONNECTICUT STATE UNIVERSITY
DEPARTMENT OF NURSING

SOPHOMORE NURSING STUDENT

Directions for students,
The following items must be completed:

1. Create an Account on www.CastleBranch.com. It is on this site that you will upload all the information in this packet. Obtain, complete, and upload all documentation specified.

2. Keep a copy of all uploaded documentation for your records. Placement sites may request proof and you will be required to produce proof within 24 hours.

3. Included in your folder is a letter from Connecticut League for Nursing (CLN). The letter instructs the student to create an account on the CLN website in order for CLN to perform Background Checks for all nursing students. Certain results from the background check may “flag” the student as not eligible to participate in clinical. The student may not be able to be educated or sit for the licensure exam. If “flagged”, the Department Chair will notify the student.

HAVE ALL HEALTH CLEARANCE FORMS COMPLETED AND UPLOADED TO CastleBranch.com ON OR BEFORE JUNE 1, 2018

Failure to Submit Forms Will Result In Written Warning or Removal from the Nursing Courses.

Clinical Credentialing Requirements

Directions for **Sophomore** Nursing Students:

The following requirements pertain only to **sophomore** nursing students AND are required for WCSU clinical placements. Students will not be allowed to start their clinical area experience until this credentialing process is complete.

The student is responsible for obtaining and uploading all the required documentation to their CastleBranch.com Account.

**NO DOCUMENTATION WILL BE ACCEPTED IN THE NURSING OFFICE.**

Inaccurate and/or incomplete documentation uploaded to the CastleBranch.com Account could impact the student’s eligibility to participate in clinical.

Below is a check list of the documents to be loaded to your CastleBranch.com Account.

The student may be issued a Classroom/Lab/Clinical warning if not compliant. The student may also be kept out of the clinical setting.
STATEMENT OF RELEASE

Students who fail to provide documentation that they have met the above stated requirements will not be allowed in the clinical areas. A criminal background check is required prior to placement in a clinical assignment, direct cost to be incurred by the students. In certain circumstances, evidence of a criminal record may prevent a student from fulfilling clinical requirements and/or requirements for professional licensure.

I certify that I have complied with all health requirements and policies. I understand that by signing this document that I accept all responsibility for having met all contractual health requirements by the Department of Nursing, University, and agencies in which I may be assigned to do clinical.

I certify that I have documentation of all the above and that I will produce such documentation at the request of the Nursing Department within 24 hours of such request.

I understand that failure to meet and maintain clinical requirements will mean that I am not allowed into the clinical areas and I will not meet the program requirements.

I am aware that if during the course of the academic year(s) while participating in clinical experiences, IF my health status should change in a way that would impact my ability to perform in clinical, I am required to notify the Nursing Department Chair and the Nursing Undergraduate Program Coordinator. I acknowledge that I may need additional clearance which would be determined at that time.

In order to be successful in the Western CT State University Nursing program, students should be aware that the ability to meet the following technical standards is continuously assessed. Students in the nursing program need the ability and skills in the following domains:

- observational/communication ability,
- motor ability
- intellectual/conceptual ability
- behavioral, interpersonal, and emotional ability.

Students must be able to perform independently, with or without accommodation, to meet the following technical standards:

Observation/Communication Ability – Nursing students must be able to:
- effectively communicate both verbally and non-verbally with patients, peers, faculty, and other healthcare professionals
- use senses of vision, touch, hearing, and smell in order to interpret data
- demonstrate abilities with speech, hearing, reading, writing, English language, and computer literacy

Motor Ability – Nursing students must be able to:
- display gross and fine motor skills, physical endurance, strength, and mobility to carry out nursing procedures
- possess physical and mental stamina to meet demands associated with excessive periods of standing, moving, physical exertion, and sitting
- perform and/or assist with procedures, treatments, administration of medications, operate medical equipment, and assist with patient care activities such as lifting, wheelchair guidance, and mobility

Intellectual/Conceptual Ability – Nursing students must be able to:
- problem solve, measure, calculate, reason, analyze, and synthesize data in order to make decisions, often in a time urgent environment
- incorporate new information from teachers, peers, and the nursing literature
- interpret data from electronic and other monitoring devices

Behavioral, Interpersonal, and Emotional Ability – Nursing students must be able to:
- tolerate physically taxing workloads and function effectively during stressful situations
- display flexibility and adaptability in the work environment
- function in cases of uncertainty that are inherent in clinical situations involving patients/clients
- possess the skills required for full utilization of the student’s intellectual abilities
- exercise stable, sound judgment
- establish rapport and maintain sensitive, interpersonal relationships with others from a variety of social, emotional, cultural, and intellectual backgrounds
- accept and integrate constructive criticism given in the classroom and clinical setting

I (student) attest that I have read, understood, and agree that I am able to carry out the above mentioned Technical Standards.
