

## WESTCONN's NEW AND IMPROVED SHUTTLE SERVICE

New Coach Shuttles will grace Western Connecticut State University beginning July 1, 2005.

J&R Tours was awarded the 3-year contract for the campus shuttle service this month.

Our new service provides the following benefits to WestConn riders:

- High back, upholstered seating
- More leg room
- Improved climate-controlled comfort
- Greater capacity
- Wheelchair access.

This semester we expect to use five new shuttles, four - 51 seat coaches during Monday through Friday and one - 28 seat coach on weekends, as the mainstay of our service.

WestConn students, faculty, and staff may ride the Shuttle free of charge with a valid WestConnect ID card. Shuttle schedules and policies can be found in the Shuttle brochure that will be available on our web site at: "<http://www.wcsu.edu/police/shuttlebusinfo.asp>" and from the Parking and ID Office in Old Main, the Student Center Information Counter, the Westside CSU Office in the WS Classroom Building, and the Police Station on Roberts Avenue.
