General Education Courses

11082 HUM 116-71 The Human Condition  3 SH  
M 5:25 – 7:55 W. Spontak TBD  
Reflection on the human condition as set forth in contemporary images of humanity in selected works of literature, philosophy, psychology and religious thought. Considers the work of important thinkers who have influenced humanity in their quest for an understanding of the self and for meaningful personal and social direction.

10475 PSY 222-71 The Adult Years  3 SH  
T 5:25 – 7:55pm J. Chen TBD  
A review of evidence bearing upon the nature, extent and implications of changes and constancies in human functioning during the period of maturity, beginning with the end of adolescence and ending with death. Emphasis will be placed on the special ambitions, dreams, stresses, value orientations, successes and failures of adulthood.  
Prereq.: PSY 100.

Business Courses

10174 MGT 320-73 Operations Management 3 SH  
R 6:00 – 8:30 p.m. TBD  
Operations management is concerned with the management of the production function of organizations in which services and goods are produced. This management process is separated into the general areas of scheduling, quality, materials and methods. The course presents concepts and tools necessary for effective and efficient management of these areas, their strong interactions and their effects on employees.  
Prerequisites: FIN 230 and junior standing.

10183 MGT 405-71 Small Bus. Entrepreneurship 3 SH  
T 6:00 – 8:30 p.m. P. Assenza TBD  
This course addresses entrepreneurship as it relates to initiating new business ventures. Special attention is given to developing workable ideas, funding, marketing and structuring new ventures as they support the development of a formal business plan. Entrepreneurial activities within large business organizations are also highlighted.

Nursing Courses: Open To RN Students Only

10975 NUR 220.71 Transition to Professional Nursing Practice  3 SH  
R 7:05 – 9:35 p.m. J. Ort E620  
Exploration of the role of the professional nurse and transition of the RN-BS student to that role. Foundational concepts related to nursing practice are explored within a framework of role development. Open only to RN-BS students. Prerequisites: Current RN license, Admission to the RN-BS program, BIO 105, 106, 215, MAT 100.

NUR 221 Physical Assessment Across the Life Span  3 SH  
Introduces concepts and techniques of physical assessment in the context of the nursing process. Laboratory experiences provide students with the opportunities to develop examination skills in preparation for clinical courses (2.5 hrs. lecture; 1.5 hrs. laboratory).

Section 71 10973  
M 4:30 – 6:00 p.m. (lab) L. Dalessio  
M 6:05 – 8:35 p.m. L. Dalessio  

Section 72 10974  
M 6:05 – 8:35 p.m. L. Dalessio  
M 8:40 – 10:10 p.m. (lab) L. Dalessio
10979 NUR 230.71 Prin. of Comm. Health Nursing  3 SH  
R 4:30 – 7 p.m.  B. Piscopo  E620
