Mission Statement
The summer music programs at Western Connecticut State University foster growth in every participant. We strive to promote individual learning and growth through working in ensemble settings. We, as individuals, love our gift of music and take great pride and joy in working with young musicians. It is our hope to foster that love of music within each camper that passes through our rehearsals, no matter what skill level, no matter what their career goals are. Our goal is for campers to have a fun and enjoyable week here.

Expectations
Attendance – We expect that campers will be ready to begin classes and rehearsals at the appropriate time. All rehearsals and classes are mandatory in order for students to reap the benefits of the camp program. Failure to be punctual will result in disciplinary action.
Attire – Campers are expected to choose clothing that will make them comfortable and capable of rehearsing in a productive manner. Distracting clothing will take away from the experience.
Attitude – Campers are expected to carry a positive attitude throughout the week. Actively participating, challenging themselves, and keeping a positive outlook will make camp a wonderful and enjoyable experience.

Code of Conduct
The staff at WCSU music camp wants your week at camp to be filled with exciting experiences, new friendships and fun. In order for this to happen, campers are expected to be considerate of others, participate fully in the camp program, observe camp rules, and respect all camp facilities. Severe violations will result in the camper being sent home without refunds.

General Policies
Personal Appearance – If students are dressed inappropriately, they will be asked to return to their dorms and change.
Alcoholic Beverages / Illegal Drugs – Possession and/or use of alcoholic beverages or illegal drugs will result in immediate expulsion from camp with no refund.
Smoking – There is no smoking allowed by any student at any time while at camp. Smoking will result in immediate expulsion from camp with no refund.
Moving around campus – All campers must travel between buildings using the buddy system. Campers may ONLY be in designated camp areas.
Vehicles - While at camp, resident campers are not allowed to ride in or be in possession of any motor vehicle. Commuter students are not allowed to leave campus during the day.
Respect of Property – Any student defacing any property, whether public or private, will be liable for damages and considered for expulsion.

Meal Rules
All meals are mandatory. Check in with your counselor upon entering. Make sure you eat something healthy, and drink plenty of fluids. Remember to leave the space as you found it – no garbage should be left on the table or the floor. Failure to comply will result in clean-up duty for the following meal.

Free Time
During morning announcements, all campers must sign up for free time activities. Campers are never to be in areas unsupervised by WCSU camp staff.
Medication

**Campers are not allowed to be in possession of over-the-counter or prescribed medication while at camp, nor are they allowed to self-administer medication. All medication must be turned in to the appropriate camp staff at camp registration, and must be properly documented on the camper’s health forms.**

Phone Usage

Campers are only allowed to call home during free time. Phones should not be used during rehearsals or after lights out. While bringing cell phones to camp is discouraged, any cell phone that is brought to camp must be registered with a counselor. Students will be allowed to hold onto their cell phones, but must adhere to regular phone usage rules. Inappropriate use of the cell phone will result in confiscation of the cell phone for the duration of camp.

Auditions

Students should select a piece that demonstrates their level of ability (i.e. region audition piece, NYSSMA piece, all-state piece, etc.) to determine ensemble placement. School music teachers or private lesson teachers should be able to help you select a piece. Auditions will also include sight-reading and a scale up to 4 sharps or 4 flats. For some additional audition guidelines, please check our website. **All audition results are final.**
