

Class	Description
Band	Band will explore a variety of literature for the concert band setting and is designed for students with at least one year of performance experience on their instrument. (brass, winds and percussion)
Jazz Ensemble	Jazz band will explore a variety of selections and is designed for students with at least 2-3 years of performance experience on their instrument.
Orchestra	String Orchestra will explore a variety of literature and is designed for students with at least one year of performance experience on their instrument. (violin, viola, cello and bass)
Class Piano for beginners	Students will learn beginning piano in a group setting. No experience needed!
Class Guitar for beginners	Students will learn beginning guitar techniques including chords, strum patterns, and finger styles. Campers will also learn chord progressions, and the different techniques that are used in their favorite songs. No experience needed!
Garage Band	Introductory class on writing arranging and recording music from classical to pop music. Students will learn how to create their own movie soundtracks and set them to their favorite video or their very own production.
Steel Drums	Music fundamentals (rhythm, melody, harmony) and proper steel pan techniques. No experience required!
Choir	Focus will be on the basics of singing with an introduction to breathing, vocal range, diction, and colorful expression. Students will explore singing different styles of music, like jazz, classical, and pop
World Drumming	Participants will use rhythms from Africa, America, Brazil and Cuba and the native instruments they are created with. Each morning we will focus on Samba, Rumba, Second Line, Rock & Roll, and an opening drum circle.
Chamber Music	Participants will be grouped in level and age appropriate chamber ensembles (trios, quartets or larger).
Creative Dramatics	Our Creative Drama classes offer an exciting introduction to performing! Students explore their imaginations, build confidence and develop important social skills while investigating theatre concepts and vocabulary presented for their developmental stage.
Acting	All the basics of acting, voice projection, staging, character creation and more.
Musical Theater revue	Explore repertoire from classic and contemporary musical theatre, with opportunities for solo, duet, and ensemble performance.
Puppetry	Kids will learn how to design, construct, and manipulate puppet characters
Theater Makeup	Explore using stage makeup to give yourself (or somebody else) bruises, gashes, and old man wrinkles etc!
Prop Shop	In Prop Shop, students will explore the ordinary and extraordinary materials used onstage
Costume Design	Campers can learn to sew, help select and put together costumes and assist with costume changes
Intro to Lighting	Delve into hanging lights and lighting design. Explore effects that can be created with gels, gobos and all kinds of theatrical lighting.
Clay Sculpture	Using a variety of tools and hand building techniques, students use clay to explore the basic elements of sculpture
Cardboard Sculpture	Students learn how to use cardboard as a medium to explore the basic elements of sculpture
Graphic Novel Art	Using sequential art, students will learn techniques and explore ideas about how to communicate their stories in dynamic ways
Drawing	Students will explore a variety of drawing techniques through a series of exercises using pencils, pens & charcoal.
Jewelry making	Students will learn basic jewelry making skills and a variety of tools used to create a few pieces to take home at the end of the course
Experimental Photography	Students will explore experimental and alternative photographic process including hand-made pinhole cameras, paper negatives and paper positives and the non-silver process, cyanotype
Super Hero Life Drawing	Starting with basic figure drawing students will explore character development techniques, anatomical structure, expressive movement and action poses
Painting	Through a series of still life painting excercises, students will explore composition, perspective, color, light and shading, and a variety of brushwork techniques
Jazz Dance	Students will actively participate in Jazz Dance techniques including across-the-floor sequences and combinations. Jazz shoes required
Tap Dance	Students will actively participate in Tap Dance techniques including proper execution of steps, patterns, and short combinations. Tap shoes required
Ballet	Students will actively participate in Ballet techniques including barre, center, and proper execution of steps and sequences. Ballet slippers required
Musical Theater Dance	Students will actively participate in Musical Theatre Dance techniques with a focus on style and popular Musical Theatre Dance sequences
Hip-Hop Dance	Students will actively participate in popular Hip-Hop Dance techniques, styles, and articulations
