CLEP[®]

What is CLEP?

The College-Level Examination Program® (CLEP®) **offers you the opportunity to earn college credit for what you already know**, for the fraction of the cost of a college course. These low-risk exams take 90 to 120 minutes to complete and are administered at over 1,800 colleges across the country and at on-base testing centers worldwide. Credit is awarded at 2,900 colleges and universities.

CLEP and the Military

Each year, nearly **50,000 military service members** from the Army, U.S. Air Force, Navy, and U.S. Coast Guard, as well as eligible spouses and civil service employees, **take CLEP exams to reach their educational goals.**

Take CLEP exams at no cost.

CLEP exams are **free** for eligible military service members, spouses, and civil service employees.

Some test centers may charge a test administrative fee in addition to the CLEP exam fee. However, DANTES-funded test takers can have the administrative fee waived when testing at fully funded and on-base test centers.
