

BRADLEY INTERNATIONAL AIRPORT

PARKING FOR STATE EMPLOYEES TRAVELING ON STATE BUSINESS

PLEASE NOTE: There are 3 primary lots for free parking for State employees traveling on State business at Bradley International Airport, labeled in yellow below. The lots are: Lot 1, Lot 2, and Lot 3.

- Effective December 6, 2017, State parkers can go directly to Lot 1, Lot 2, or Lot 3, which are colored in green on the map below.
- *• **If Lot 1, Lot 2 and Lot 3 are full or otherwise unavailable, Lot 5B will be opened.** This area is shown in green hatch on the map below. Please note that Lot 5B is a remote location and would only be open in the event that there were no other surface spaces available in the three designated primary lots (1, 2, and 3). If Lot 5B is not yet open, and the other lots are not available, parkers will need to find an alternative parking location at their cost.
- In the event that all of the designated lots are full, or otherwise unavailable, please understand that the free parking for State employees traveling on State business is not a right or entitlement; rather, it is offered as a courtesy by the Connecticut Airport Authority (CAA). If the designated areas are full, or otherwise unavailable, the traveler will be responsible for whatever parking fee he/she incurs and any reimbursement for that parking is strictly between the employee and the State entity on whose behalf they are traveling.
- **NEVER** available for free parking program: Lot 4, Parking Garage, and off-airport parking areas.
