TO OUR STUDENT VETERANS:

Welcome to Western, Veterans and Active Service Members!

On behalf of our Western Connecticut State University community, and as a fellow veteran, I would like to first extend a heartfelt “Thank you” for your service to our country. We are proud to be your university of choice and stand ready to be of assistance to you as you progress through your program here.

Students who are veterans or active members of the military often face challenges such as a transition back to civilian life after years of service, or deployment during their course of study. Our Veterans Committee assists us in providing support with these and other areas of concern, recognizing the opportunity it offers us to give back to an exceptional group of men and women who have put so much on the line for us all.

Comprised of student Veterans, faculty, staff and community representatives, the committee has established a range of services and events specifically for you. These include the Veterans Lounge in Midtown’s Student Center, and a dedicated office and website that you can access for information. As you will see in reviewing this booklet, there are many additional services and offices here focused on facilitating your success and enriching your experience at Western.

I’d like to express my personal good wishes to you for the coming year and beyond. I look forward to seeing you on campus, and congratulate you on your decision to add a bachelor’s degree to the fine credentials you have already earned.

Sincerely,

[Signature]

Dr. John B. Clark

STUDENT RESPONSIBILITIES

Veterans Benefits

The Office of Veterans Affairs assists veterans and members of the National Guard in certifying educational benefits. Our office is located on the second floor of Old Main on the Midtown campus of Western Connecticut State University. The office hours are from 9:00 a.m. to 5:00 p.m., Monday through Friday. Any student who wishes to take advantage of the benefits that they earned through the Armed Services should report to our office.

The Connecticut State Board of Education has approved WCSU’s educational programs for the training of veterans. Veterans may take advantage of their benefits under Chapters 30, 31 (Vocational Rehabilitation), 32, 33, 35, 1606 and 1607.

Additionally, spouses, widows, widowers and children of veterans approved for educational benefits should apply through the Office of Student Financial Services at WCSU.

To explore a complete listing and to apply for benefits, please go to: gibill.va.gov

CHAPTER 31

Vocational Rehabilitation

*Veterans are eligible if they:*

- Have received, or will receive, a discharge that is other than dishonorable
- Have a service-connected disability rating of at least 10%, or a memorandum rating of 20% or more from the Department of Veteran Affairs (VA)

*Active Duty Service Members are eligible if they:*

- Expect to receive an honorable discharge upon separation from active duty
- Obtain a memorandum rating of 20% or more from the VA

Basic Period of Eligibility

The basic period of eligibility for services is 12 years from the latter of the following:

- Date of separation from active military service, or
- Date the veteran was first notified by VA of a service-connected disability rating.

What Happens after Eligibility is Established?

The veteran is scheduled to meet with a Vocational Rehabilitation Counselor (VRC) for a comprehensive evaluation to determine if he/she is entitled for services. A comprehensive evaluation includes:

- An assessment of the veteran’s interests, aptitudes and abilities
- An assessment of whether service-connected disabilities impair the veteran’s ability to find and/or hold a job using the occupational skills he or she has already developed
- Vocational exploration and goal development leading to employment and/or maximum independence at home and in the veteran’s community
Post-Vietnam Era Veterans Educational Assistance Program (VEAP)

VEAP is available if you elected to make contributions from your military pay to participate in this education benefit program. Your dollar contributions are matched on a 2-to-1 basis by the government. You may use these benefits for degree, certificate, correspondence, apprenticeship/on-the-job training programs and vocational flight training programs. In certain circumstances, remedial, deficiency and refresher training may also be available.

Benefit entitlement is one to 36 months depending on the number of monthly contributions. You have 10 years from your release from active duty to use VEAP benefits. If there is entitlement not used after the 10-year period, your portion remaining in the fund will be automatically refunded.

Eligibility

To qualify, you must meet the following requirements:

- Entered service for the first time between January 1, 1977, and June 30, 1985;
- Opened a contribution account before April 1, 1987;
- Voluntarily contributed from $25 to $2700;
- Completed your first period of service; and
- Were discharged or released from service under conditions other than dishonorable.

- If you are currently on active duty and wish to receive VEAP benefits, you must have at least three months of contributions available.
How to Apply

You should make sure that your selected program is approved for VA training. If you are not clear on this point, VA will inform you and the school or company about the requirements.

Obtain and complete VA Form 22-1990, Application for Education Benefits. Send it to the VA regional office with jurisdiction over the State where you will train. If you are not on active duty, send copy 4 (Member Copy) of your DD Form 214, Certificate of Release or Discharge From Active Duty. If you are on active duty, you must have your enrollment approved by your base Education Services Officer, and you must have your service verified by your Commanding Officer.

If you have started training, take your application and Member Copy of DD Form 214 to the Office of Student Financial Services. Ask them to complete VA Form 22-1999, Enrollment Certification, and send all the forms to VA.

If you wish to withdraw your contributions from VEAP, obtain and complete VA Form 22-5281, Application for Refund of Educational Contributions, and send it to your nearest VA regional office.
Post 9/11 GI Bill

You may be eligible for this program if you meet the following conditions: Veterans who have served at least 90 days of active duty service after September 10, 2001, and received an honorable discharge will qualify for the Post-9/11 GI Bill.

To qualify for the full benefit a veteran must have served at least three years of active duty after September 10, 2001. Those who qualify for the Active Duty GI Bill, the Reserve GI Bill or REAP will have the option to choose which benefit best suits their need.

For those who served on active duty after September 10, 2001, the following chart applies:

TUITION WAIVERS

A Tuition Waiver relieves the benefactor from the responsibility for payment of tuition. The Tuition Waiver does not apply to other costs and fees, such as: deposits, student activity fees, insurance fees, laboratory fees. There are two main categories of tuition waivers:

A. National Guard Tuition Waiver

National Guard members, who have received a Certificate of Eligibility from the Adjutant General, have been admitted to the university as full-time students and have registered for classes, can submit the certificate to the Veterans Affairs Office. This waiver applies only to the fall and spring semesters. Please contact your Unit’s RNCO to apply for this waiver before every semester.

B. Connecticut State Veterans Tuition Waiver

Veterans who have served over 90 days of Active Duty in support of an operation may receive a tuition waiver. This does not include Initial Entry Training nor Active Duty for Training.

Public Act 78-175 and Public Act 74-266 authorized the ConnSCU Board of Regents to waive the payment of tuition for veterans or a dependent child* of a person classified as a prisoner of war or missing in action. Qualified summer and part-time students (less than 12 credits) also are entitled to a waiver of 50 percent of tuition cost.

*Dependent children: Must be a dependent child of a person whom the Armed Forces declared to be missing in action or to have been a prisoner of war while serving in the Armed Forces after January 1, 1960.
The following eligibility qualifications must be met for the tuition waiver:

1. Must have served in the Armed Forces on active duty continuously for 90 days between January 1, 1964, and July 1, 1975, during a time of war.

   **WARS:**
   - World War II: Dec. 7, 1941, to Dec. 31, 1946
   - Vietnam: Dec. 22, 1961, to July 1, 1975

2. Must have been released from active duty under honorable conditions.
3. Must be a resident of Connecticut at the time s/he is accepted by the University.
4. Must be matriculated.

   **Note:** Eligibility to receive Veterans Affairs Education Benefits is not a determining factor in granting a tuition waiver.
HOW TO RECIEVE VA EDUCATIONAL BENEFITS

Step 1:
Western Connecticut State University Veteran’s Registration Form and a blank Degree Program Sheet (wcsu.edu/veterans)

AND the following:

A. Chapter 30: DD-214 & Certificate of Eligibility from VA
B. Chapter 31: DD-214 & VA Form 28-1905
C. Chapter 32: DD-214 & Contribution Statement
D. Chapter 33: DD-214 & Certificate of Eligibility from VA
E. Chapter 35: Relative’s DD-214 & Certificate of Eligibility from VA
F. Chapter 1606: Latest DD-214, Certificate of Eligibility from VA, DD-Form 2384 & Notice of Basic Eligibility
G. Chapter 1607: Last DD-214 & Active Duty Orders

Step 2: Certification

After you have registered for courses, drop off all required paperwork with the Office of Veterans Affairs in Old Main, room 206-C. The VA certifying official will then certify your enrollment to the VA. It is the student’s responsibility to request certification before every semester. Certification is not automatic. Students are only certified for classes required for current degree program. All enrollment changes (Add/Drop, withdrawals) must be reported to the certifying official.

Step 3: Matriculation Status

Report class attendance to VA as required (monthly if necessary). Any change in matriculation status (full time to part time; leave of absence; withdrawal from the University) must be reported to the certifying official.
Step 4: Change of Program of Study/Major

In the case of a change in program study/major, the student must meet with his or her academic advisor to develop a program evaluation. Changes to a student’s program of study/major will delay certification and payment. Coursework for the new major will not be certified until the new program evaluation is completed and on file with the certifying official’s office. It is the student’s responsibility to meet with an academic advisor as early as possible to avoid delay in payment. Form 22-1995 must be completed online, and approval sent to the certifying official; it is available at www.va.gov. The VA will make the final approval on all educational changes.

POLICIES AND GUIDELINES

Certification
Veterans are certified only for those classes that are required for their degree program. It is the student’s responsibility to take at least 12 hours of degree-required courses to qualify for full-time benefits (nine hours is considered full-time for graduate study). If a student takes fewer than 12 hours, he/she should make sure that all courses are required in the program. Veteran Education Benefits are certified on a semester basis.

Concurrent Enrollment
Please visit the Office of Veteran Affairs if you are enrolled concurrently at another college/university.

Dual Major and Minor
Dual majors pursued under an academic policy that defines the dual major’s requirements can be certified if both majors are approved. Only courses required to complete the dual major can be certified.

A minor pursued as part of an approved major can be certified, even if the minor will require additional credit to graduate.

Repeated Courses
The VA WILL NOT pay for repeat courses, unless to complete a major requirement when an F was earned. No classes in which A, B, C or D grades were earned may be repeated for VA purposes. (Letter grades of A, B, C or D are considered to be successfully completed for VA purposes). Students WILL NOT be paid to repeat a course successfully completed due to academic renewal purposes.

Exception: Some courses require a specific minimum grade for successful completion or transfer.

Auditing and Correspondence Courses
Audited courses and correspondence courses do not count as part of your course load and do not qualify as part of your benefits.

Continuation of VA Benefits
Due to high volume of Requests for Certification each semester, all veterans are encouraged to submit their schedules in order for the Certifying Official to review all paperwork before certifying the request. If you are a continuing student, take advantage of the early enrollment period. The earlier you submit your schedule, the sooner you will be processed for your benefits. Also, note that Western cannot guarantee when you will receive your benefits. Be advised that multiple class changes may cause delays in processing your request.
Extending your VA Benefits
If you are using Chapter 30, Chapter 31 or Chapter 35 benefits, you may be able to request an extension of your benefits. You can submit a written request for an extension of your VA benefits to the VA Regional Office.

Status Change
If you change from full-time to part-time status, you must file this change with the certifying official.

Minimum GPA Requirement
Students on VA education benefits (veterans, reservists and family members) must maintain satisfactory progress. This is a VA requirement. If the student on VA benefits falls below a 2.0 GPA over two consecutive semesters, this is reported to the VA as unsatisfactory process and benefits are suspended. To reinstate your benefits, you must complete a semester with a 2.0 or higher GPA.

Non-required Courses
The VA will pay only for required courses listed on your program sheet. These approved courses must meet the minimum requirements for graduation established by Western.
Attendance
If you do not attend class, you are not entitled to benefits. If you stop attending a class, you must officially drop it and report the drop to the Department of Veterans Affairs Office. This is one of your responsibilities. Federal law requires that students report any changes in their enrollment status that might affect VA educational benefits to the school and the VA. Students who receive a grade of “F” for non-attendance may be charged with an overpayment by the VA. Failure to drop a class can result in overpayment of benefits.

Note: Although the Certifying Official monitors student attendance, it is imperative that you report any changes in your enrollment status to the Certifying Official IMMEDIATELY. When there is an overpayment, the VA will withhold future payments or ask for repayment of the overpaid benefits. Depending on the situation, they can take you to court, charge interest, withhold future tax refunds, attach wages, put a lien on property or deny home loans.

Instructions for Training or Pre- or Post-Deployment
If you are called up for training or active duty, it is your responsibility to contact the Certifying Official as well as one of the Veteran Affairs Coordinators on campus. The Veteran Affairs Coordinator is there to assist you with the necessary paperwork for a leave of absence, to correspond with your professors, to communicate with Housing & Residence Life staff if necessary and any additional non-academic support you require. Please note that this interaction should take place as soon as your orders are received to allow plenty of time for your departure. If you are unable to get to the Veteran Affairs Coordinator prior to your training or deployment, please see the Veteran Affairs Coordinator immediately upon your return.

The Office of Veterans Affairs provide support for veterans to ensure a smooth transition to civilian life, assisting with issues such as academic preparedness, health and wellness, socialization issues and administrative requirements. When necessary, we make appropriate referrals to student and academic services, including the Counseling Center, Academic Advisement Center, AccessAbility Services and Student Financial Services.

The Office of Student Financial Services (SFS) evaluates students for financial need and provides assistance, when possible, through grants and loans.

Admissions - After veterans are accepted to the university and upon presentation of the DD Form 214 and Report of Transfer or Discharge, they receive exemption from the university’s exercise science requirement. The university may also accept college level credits earned through the United States Armed Forces Institute and for service schools completed, as recommended by the American Council on Education, providing credit is applicable to the individual’s degree program. The university accepts results of the College Level Examination Program, administered at no charge to military personnel on active duty through Defense Activity for Non-Traditional Education Support.

The Registrar’s Office is responsible for registration, add/drop, overrides, transcripts, address changes, verification of enrollment, grade changes, graduation and evaluation of military transcripts.

AccessAbility Services provides disability accommodations and support services, academic coaching, advocacy and registration assistance.

The CHOICES office provides confidential counseling and other services to those struggling with alcohol and other drug issues.

The Counseling Center provides a safe, confidential and supportive environment to discuss life concerns, challenges and opportunities. The Counseling Center’s mission is to assist personal and educational development through therapy, consultation, educational outreach and, if needed, referral.
The **Academic Advisement Center** provides assistance with course selection, scheduling and assessments to aid in the choice or change of a major. When necessary, we interpret policies and procedures and refer students to resources.

The university’s **Health Service** provides quality health care to all full-time students by appointment. The staff addresses primary and preventive care issues based on a wellness initiative.

The **Career Development Center** provides a wide variety of career-related services including career counseling, an extensive career information library, employment opportunities through on-campus recruiting, an online job posting system, co-op internships, career fair and other job search assistance including resume writing, interviewing skills and job search workshops.

The **Newman Center** offers Sunday and weekday masses for students, weekly holy hours and sacramental preparation for Catholics. We also have Bible Study and bi-weekly Newman dinners and opportunities for all students to engage in charitable works with the poor. One of our projects, Project Care Package, collects donations for troops overseas.
THE STUDENT VETERANS ORGANIZATION

The Student Veterans Organization (SVO) is a club established in 2009 to acknowledge the needs of Western’s military servicemen and women who wish to better integrate into the university community. Officially recognized and endorsed by the Student Government Association, the SVO is comprised of students who wish to support and serve other students — at WCSU and abroad — in a number of ways.

For example, the SVO plans to host a number of benefit dinners and workshops and will sponsor a variety of fundraising activities in the coming year. These “Combat to College” events will assist Western’s military servicemen and women from all branches of the military who are in the process of transitioning to civilian life and the college environment.

With the continued help and support of Western’s dedicated faculty and staff and generous contributions made by members of the Danbury area, the SVO plans to continue expanding its support of veterans at Western and our troops around the world.

The SVO is located in the Student Center, Room 208, on the Midtown campus. The veterans room was dedicated for use by WCSU to honor and support our student veterans.

Services available at the VETS Center:

- Four semi-private work stations, equipped with computers
- TV lounge
- Snacks
- 24-hour access with WestConnect Card/Veteran ID Card

For more information on the SVO or for access to the veterans room, please call (203) 837-8003, Old Main 206 or email vetinfo@wcsu.edu.

MISSION STATEMENT

The mission of the VETS organization is to help veterans and members of the armed forces to assimilate into college. It provides outreach and resources and raises awareness about veterans and their rights. The organization also promotes camaraderie and provides information about the armed forces to the general student body. The VETS Center is open to all active duty, National Guard, Reserve and veteran students, current students of Western and their family members.
1. The Office of Veterans Affairs is located on the second floor of Old Main, Room 206. We will assist you in beginning your process of admission through receiving your benefits.

2. Start with a few courses to ease into the transition. If possible, choose a mix of courses that utilize different skills and include varying amounts of reading and written assignments. (For example, math and English, science and music or sociology/psychology).

3. Taking notes during class and recording lectures will help to ensure that you stay on top of the material. If you find that you need assistance, the university's AccessAbility Services office is available to assist you.

4. Study. Find a quiet and comfortable location and take notes while reading (i.e. the Veterans Lounge or the library). This will help you to retain the information. Be sure to build in several short breaks, more if you find yourself easily distracted. Visit the Tutoring Resource Center for more tips on studying.

5. Take advantage of the university’s resources such as the Tutoring Resource Center, the Math Clinic and the Writing Lab, the Counseling Center, the Veterans Affairs Office and one of your two Veteran Affairs Coordinators. If it's been several years since you were in school, seek out the many academic and counseling resources available.

6. Consider joining a student organization as a way to break down barriers between you and other students. In addition to joining the local student veteran’s club, you might consider getting involved in other on-campus activities. Such involvement may help you to feel more connected to other students and the larger campus community.

7. Recognize that others may not agree with you or understand your service in the military. Agree to disagree – nearly everyone has an opinion about war and the military. Respectfully decline to answer any question that makes you feel uncomfortable.

8. Exercising will help reduce anxiety. The university has two fitness centers, one located on each of the universities campuses.

9. Learn to recognize signs of stress and seek help before you are overwhelmed. You can utilize the services on or off campus. The Danbury Vet Center offers a wide range of services free of charge.

10. Get plenty of rest and exercise and eat right — these habits will help keep you strong physically and mentally.
