This mini section features our **Create Your Brand** guide. A crucial part of career development is learning to present the best version of yourself. That's why we've included links to our pages on dressing professionally, best practices for networking and branding, our **Professional Clothing Closet**, and even a direct link to schedule a professional headshot on campus!

The screenshot shows a webpage from the Career Success Center. At the top, there is a navigation bar with options like 'Customize', 'New', 'WP Engine Quick Links', 'Edit Page', and 'Live Editor'. The main content area is divided into two sections. On the left, there is a list of events with details such as dates, times, and session types (in-person or via Zoom). Below this list are three dark blue buttons with white text: 'See Spring 2023 event schedule', 'See more events in Handshake', and 'Attend a Live or Virtual Career Fair'. On the right, there is a central graphic titled 'Create Your Brand' featuring a woman holding a laptop. This central hub is connected to five surrounding circular icons: 'Networking & Branding' (with a blue triangle icon), 'Dress For Your Day' (with a brown box icon), 'Professional Headshot' (with a person's headshot icon), 'Schedule Appointment' (with a clock icon), and 'Clothing Closet FREE! FOR STUDENTS' (with a hanger icon and the PCC logo). A small orange circle is also visible to the left of the central hub.

Below is our **Career Communities** section! These dedicated info hubs are organized by industry rather than by major, making it easier to find information specific to your field and explore cross-industry opportunities. The articles and events in each community are updated regularly and include many helpful tools for professional growth. You'll also find community connections from WCSU that you can reach out to and connect with.

Down here is our Designing Your Life widget! The WCSU Career Success Center now offers workshops and classes to teach you the essentials of Designing Your Life. In this page learn how design-thinking mindsets like curiosity, prototyping, reframing problems, and collaboration can help you build your career amidst uncertainties.

The screenshot shows a digital widget for 'Designing Your Life'. At the top, it says 'SECOND EDITION' on a brick background. Below that is a white box with the text 'See our comprehensive guide to your career!' and a 'Learn more' link. The main part of the widget is a collage of photos of students in a classroom setting, with the title 'DESIGNING YOUR LIFE' overlaid in large white letters. Below the collage is another white box with the text 'Discover the experience of Life Design and prepare for your future!' and a 'Learn more about Life Design' link. At the bottom of the widget is a dark blue banner with icons for a briefcase, a lightbulb, a dollar sign, and a rocket. To the right of the widget is a testimonial section with a yellow background, followed by a form with fields for 'Your Name', 'Your Email', and 'CED Course Name', and a 'Message' text area.
