What is Core-CT Self-Service?

Core-CT is the State of Connecticut's Payroll System that contains a module (self-service) that will allow employees to enter their biweekly time sheet electronically. Employees can access Core-CT via the internet on any desktop computer, laptop, and also via an iPad. Once an employee enters their time sheet following the completion of the pay period their hours will then be submitted to their department supervisor for their electronic approval. Once the time sheet has been approved by the supervisor it authorizes a paycheck to be produced for the employee via Core-CT.

Logging into Core-CT

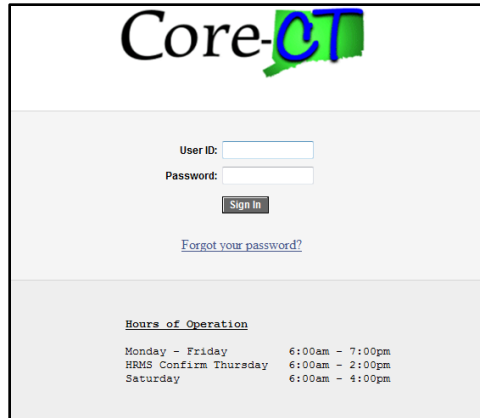

Core-CT is accessed by going to the following website address:

<http://www.core-ct.state.ct.us/>

You will then be brought to the following website:

Click on the “login” option in the upper left hand corner and you will then be brought to the following login page

The login screen for Core-CT features the logo at the top. Below it are input fields for 'User ID:' and 'Password:', followed by a 'Sign In' button. A link for 'Forgot your password?' is positioned below the button. At the bottom, a section titled 'Hours of Operation' lists the following schedule:

Hours of Operation	
Monday - Friday	6:00am - 7:00pm
HRMS Confirm Thursday	6:00am - 2:00pm

Please be aware that your supervisor will not be able to access or approve your hours worked until the following day. This is due to the fact that the system has to process the hours during an overnight process.
- Also please note that the column titled “TRC” stands for Time Reporting Code and for everyday it lists REG which stands for regular pay.
- If you click the triangle next to “Reported Time Status” again it will now hide this information

Entering a Holiday

- Click on the “Timesheet” as indicated by the green arrow below

The screenshot shows the Core-CT web application interface. At the top, there's a blue header with the 'CT.gov' logo and 'State of Connecticut'. Below this is a navigation bar with 'Favorites' and 'Main Menu' tabs. Under 'Main Menu', there are buttons for 'My HR' and 'Core-CT Help'. The main content area is divided into two columns. The left column contains 'Personal Information' and 'My System Profile' sections. The right column contains 'Time and Labor' and 'Payroll' sections. In the 'Time and Labor' section, the 'Timesheet' link is highlighted with a green arrow. Other links in this section include 'Approve Time', 'Payable Time Summary', and 'Payable Time Detail'. The 'Payroll' section has a 'View details of your' link.

- You will now be brought to the following screen:

The screenshot shows the 'Timesheet' entry screen for Frederic Crafty. At the top, the employee's name 'Frederic Crafty' is displayed, along with 'Job Title: SUDirector1'. To the right, the 'Employee ID: 123456' and 'Empl Record: 0' are shown. Below this is a blue bar with an 'Instructions' icon. The main section is titled 'View By Week' and shows the date '03/22/2013' with a calendar icon. It also displays 'Reported Hours: 80.00' and 'Scheduled Hours: 0.00'. There are links for 'Previous Period' and 'Next Period'. The date range is 'From Friday 03/22/2013 to Thursday 04/04/2013'. Below this is a table with columns for each day of the week and a 'Total Hours' column. The table shows the following data:

	Fri 3/22	Sat 3/23	Sun 3/24	Mon 3/25	Tue 3/26	Wed 3/27	Thu 3/28	Fri 3/29	Sat 3/30	Sun 3/31	Mon 4/1	Tue 4/2	Wed 4/3	Thu 4/4	Total Hours	Time Reporting Code

The 'Fri 3/29' cell is highlighted in yellow. At the bottom, there is a 'Submit' button.

- In this example the employee worked nine (9) days during the pay period and had one (1) holiday.
- In the above screen print you will see the Fri, 3/29 is highlighted in yellow. The reason for this is because this is the day of the observed holiday for the employee. The holidays in Core-CT are

highlighted for each employee based on their union contract, thus for this employee the observed holiday is on Fri, 3/29.

- At this point enter 8 for every work day of the pay period with the exception of Fri, 3/29 and enter REG in the “Time Reporting Code” box. After doing so your screen will look as follows:

Reported Time Status

- You will then notice a “Saved” message appearing in the upper right hand corner of the screen. This will flash across the screen for a few seconds and then disappear.
- Please be aware that if you go to enter hours for a time reporting code that has a limit attached to it you will not be able to do so if you exceed the limit. An example of this is if you go to enter 6 hours of PL time and you only have 4 hours of PL time accrued you will receive an error message when you go and try to submit the time. Below is an example of this message:

Message

6 new hours are reported against Leave Plan Personal. The possible maximum is 4. (13504,117)

The leave balance is exceeded. Reduce the number of hours reported and re-submit.

OK

- If you receive this message then that means that you do not have enough accrual balances remaining for the specific time reporting code, thus you need to correct it before you will be able to submit your timesheet
- In order to correct this click on the “OK” box and then make the necessary corrections on the timesheet

- If you would like to see your current leave accrual balances click on the triangle next to the “Leave and Compensatory Time Balances” at the bottom of the screen as shown by the green arrow in the below screen print:

- You now will see each day listed that you entered time for along with a reported status code of “Submitted.” This means that you have submitted your hours worked along with your accrued leave time to your supervisor and there is nothing further for you to do. Please be aware that your supervisor will not be able to access or approve your biweekly timesheet until the following day. This is due to the fact that the system has to process the hours during an overnight process.
- Also, please note that the column titled “TRC” stands for Time Reporting Code. In this column you will see the various TRC’s that you have entered (REG, SICK, VAC, PL, & SP) for the pay period along with their respective hours listed in the “Total” column.
- You will also note that there is a column titled “Comments.” This is not a required column to complete, however it will allow you to enter comments for your supervisor to see regarding any of the hours entered on your timesheet. In order to enter comments for a specific day double click on the “comment bubble” next to the respect date you would like to enter a comment for. After doing so you will be brought to the following screen:

- As you will see in the above screen print inside the comment bubble for 3/19/2013 there are now some lines. This means that comments have been entered for that specific date.
- If you would like to enter any comments for any other days follow the same procedure as above.
- If you click the triangle next to “Reported Time Status” again it will now hide this information
- Now click on the triangle next to the “Reported Time Summary” line and you will be brought to the following screen:
