

GARDEN 2 PROGRESS

BEFORE

May 2024

SWSA STUDENTS HELPED
IDENTIFYING THE PLANTS
PRESENT AND SETTING UP
BAMBOO STICKS AROUND
THE PERIMETER OF THE
GARDEN

May 2024

May 2024

CARDINAL FLOWER (*LOBELIA
CARDINALIS*) AND
CHRISTMAS WINTERGREEN
(*GAULTHERIA PROCUMBENS*)
WERE PLANTED

June 2024

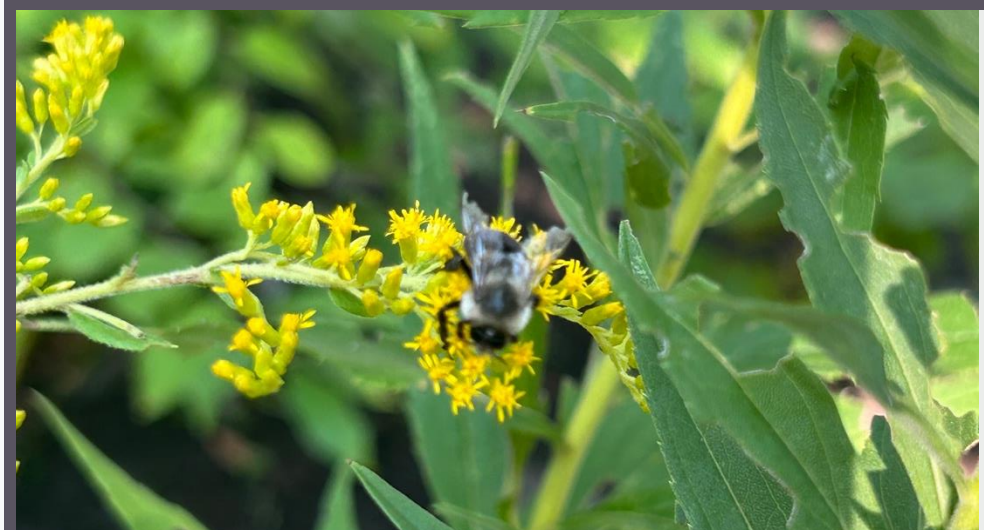

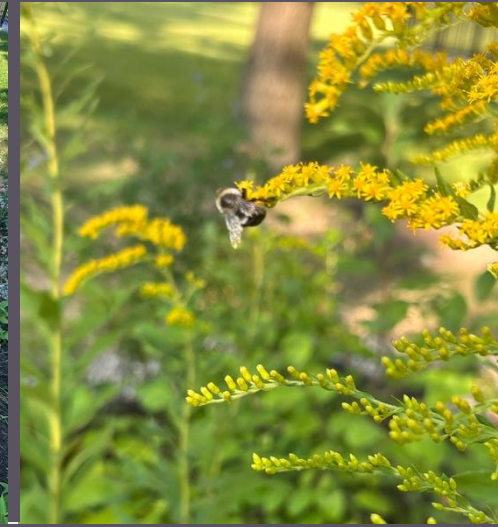

Labels were created and placed under each clump of flowers or trees

July 2024

Cardinal flower progress, and some shots of pollinators enjoying the goldenrods

Final product after bricks were laid around the perimeter of the garden, gravel was used to “funnel” the water down the slope, and mulch was laid

August 2024
