

The logo features a stylized shield shape. The top of the shield is defined by a horizontal bar with a short segment on the left and a longer segment on the right, which then turns down into a vertical line on the right side. The left side of the shield is a vertical line, and the bottom is a wide, upward-curving arc. The text "WESTERN CONNECTICUT STATE UNIVERSITY" is centered within the shield.

**WESTERN
CONNECTICUT
STATE
UNIVERSITY**
